Dear George,

I would like to request support from The Council for Tobacco Research for the Symposium "Common Developmental Origin of Nervous Systems", that I am putting together with Dr. Thomas Lufkin. The symposium will take place during the American Society for Neurochemistry Meeting in Philadelphia, March 3rd - 6th. Of course The Council for Tobacco Research will be acknowledged at the Symposium and in the program as well. The program is listed on the following page.

Thank you very much for considering this request.

Sincerely,

David R. Colman, Ph.D.
